

# The 21<sup>st</sup> SSBP International Research Symposium

Research Symposium 28<sup>th</sup> – 29<sup>th</sup> August 2018 • Educational Day 30<sup>th</sup> August 2018 • Melbourne, Australia

# Translating knowledge of phenotype towards improved outcomes in neurodevelopmental disability

The International Society for Behavioural Phenotypes will be holding their 21<sup>st</sup> Research symposium in Melbourne on the 28<sup>th</sup> and 29<sup>th</sup> August 2018.

The theme will be *Advancing the knowledge and translation of phenotypic understanding towards better outcomes for individuals with neuro-developmental disability.*

The Education Day will be held in conjunction with the Neurodevelopmental Paediatric Society of Australia on the 30<sup>th</sup> August 2018.

Melbourne in Victoria, Australia has recently been voted one of the most liveable cities in the world and is a fabulous city for city and country (Wine region) escapes. Come and stay for a while.

**Registration and abstract submission open: 12<sup>th</sup> March 2018**

**Deadline for online abstract submission: 22<sup>nd</sup> April 2018**

**Deadline for discounted early bird registration: 16<sup>th</sup> July 2018**

**For further information see [www.ssbpconference.org](http://www.ssbpconference.org)**

The SSBP is a charity registered in England (No. 1013849).
