

27th SSBP International Research Symposium

Towards Personalised Care for Rare Genetic Disorders

Educational Day: 4th September 2025 • Research Symposium 5th – 6th September 2025 • Amsterdam, the Netherlands

The Society for the Study of Behavioural Phenotypes will be holding their 27th International Research Symposium in Amsterdam, the Netherlands on the 5th and 6th September 2025. The Educational Day will be held on 4th September. The theme will be: Towards Personalised Care for Rare Genetic Disorders

We welcome you to vibrant Amsterdam, renowned for its artistic heritage, expansive canal network, and charming narrow canal houses - a legacy from the Golden Age. With 165 canals spanning 75 kilometers and adorned with over a thousand bridges, Amsterdam invites you to hop on a bike and explore its unique charm and rich culture.
