

# The 27<sup>th</sup> SSBP International Research Symposium

Educational Day: 4<sup>th</sup> September 2025 • Research Symposium 5<sup>th</sup> – 6<sup>th</sup> September 2025 • Amsterdam, the Netherlands

# Towards Personalised Care for Rare Genetic Disorders

The Society for the Study of Behavioural Phenotypes will be holding their 27<sup>th</sup> International Research Symposium in Amsterdam, the Netherlands on the 5<sup>th</sup> and 6<sup>th</sup> September 2025. The Educational Day will be held on 4<sup>th</sup> September. The theme will be: Towards Personalised Care for Rare Genetic Disorders

We welcome you to vibrant Amsterdam, renowned for its artistic heritage, expansive canal network, and charming narrow canal houses - a legacy from the Golden Age. With 165 canals spanning 75 kilometers and adorned with over a thousand bridges, Amsterdam invites you to hop on a bike and explore its unique charm and rich culture.
